Work experience

Describe any farming experience you have had:

Specifically, have you worked with animals?

Goals and objectives:

What are your objectives for an internship/apprenticeship at S&S Homestead Farm?

If you are a student, how will the internship/apprenticeship fit into your academic goals?

Describe your career or work goals for the next five years:

If you envision yourself as an independent farmer or homesteader, do you have a plan to finance your future enterprise?

Conditions:

Are you in good health, and able to do strenuous physical work?

Conditions continued:

Do you have health insurance? Name the insurance carrier and policy no.:

Do you have a current tetanus vaccination? Date of vaccination _____

Internships/apprenticeships at S&S Homestead Farm are curriculum-based, involving hands-on work, reading, research, report writing, and seminar presentations. Does this meet your objectives?

Farming, particularly caring for animals, requires a full-time commitment. Does this meet your objectives?

Based on available space, S&S Homestead Farm provides interns/apprentices with room and board at cost. Do you have sufficient financial resources to pay that cost and meet your personal needs during your stay?

Questions:

Do you have any questions or concerns about an internship/apprenticeship at S&S Homestead Farm?

Your signature: _____ Date: _____
